

12th Annual

2013 Lantern Festival

Sponsored by Friends of Albert Einstein Academies

Saturday, November 2, 2013 from 3:00-7:00 PM

Join our celebration of a 100-year old German tradition with food, games, vendor booths and entertainment, ending with a lantern walk through the neighborhood. In the spirit of Saint Martin's gift to a coatless beggar, we are collecting donations of gently used coats and blankets for those in need.
