Natalie Cook	San Diego Street Cat Society	San Diego Street Cat Society is a volunteer run organization, providing free advice and assistance trapping and managing community cats. In 2022 we received our 501(c)(3) non-profit status. Our goal is to fill the gap between the community and the shelter. We know many people want to help cats they see in their neighborhood but don't know how or lack the tools. Unfortunately, while shelters and rescue groups in San Diego will accept these cats, most do not have the resources to send someone out to catch each one. During COVID, shelters and rescues have been stretched thin. Many have been forced to suspend their community cat programs and surgeries. Street Cat Society wants to make sure this critical work continues. Our volunteers are still out in the community trapping cats everyday, and are here to help.	619-200-2116	nataliecook13@gmail.com	https://sdstreetcatsociety.wixsite.com/website	IG: sd_street_cat_society
