What is Friends of Albert Einstein Academies (FoAEA)?

FoAEA is our school's Parent Teacher Organization (PTO). We are an all-volunteer, non-profit 501(c)(3) dedicated to cultivating a positive, supportive community for the enrichment of all AEA students.

Every AEA parent, caregiver, teacher, and staff member is automatically a member of FoAEA. Together, we work to engage families, enhance students' educational experiences, support teachers and staff, and provide enriching events and programs that strengthen our school community. During the 2024 – 2025 school year, FoAEA participated and/or executed in over 25 special events, cultural experiences and family engagement opportunities.
